The Future

This season, in keeping with the dawn of year-round programming at our Vancity Theatre and with the forward-looking films that we are most excited to be programming, our emphasis is on where we are going. By where "we" are going, we mean where the world is going, for it's certain that the most interesting question encouraged by this year's festival selections is: What sort of world lies ahead?

American Zeitgeist: Crisis and Conscience in an Age of Terror	171
A Crude Awakening: The Oil Crash	167
Encounter Point	173
The Epic of Black Gold	157
